

Accessing Online Training: Teen Speak For Parents and Supportive Adults

This course may take you 4-5 hours to complete, so please plan accordingly. The modules do **not** have to be completed at one sitting. You may begin them and when you return, the module will pick up where you left off. This training system is best utilized through **Chrome or Firefox**.

The learning modules are hosted by [Adobe Captivate Prime](https://captiveprime.adobe.com/). You need to create an account for yourself. URL for your learning modules:

RPACT
Alaska Teen Speak

1) Once you have logged in, you will be on your “My Learning” home page. To access the Learning Modules, click the ‘Visit’ button located to the left of the “Virtual Learning Module” course.

Virtual Learning Module
Course - Assigned by Admin
Due: Aug 15, 2018

Visit

- 2) After clicking the Visit button, you will access the Core Content page. Simply click the blue “Start” button to the right to launch the Modules.
- 3) As you do not have to complete the modules in one sitting, when you re-access the Learning Modules you can launch the proper module from the Core Content list.
- 4) Once you have launched the Learning Module, scroll down on the screen to find and click the orange arrow on the bottom right to proceed to the next question.

NOTE: Some slides require your interaction before you can proceed.

Resources are accessed on your Core Content page.
